

src/rend/Util.h

```
graph TD; A[src/rend/Util.h] --> B[sr1/vector]; A --> C[string];
```

A diagram illustrating dependencies. At the top is a gray rectangular box labeled 'src/rend/Util.h'. Two blue arrows originate from the bottom edge of this box. The left arrow points to a white rectangular box labeled 'sr1/vector'. The right arrow points to a white rectangular box labeled 'string'. Both boxes have a thin gray border.

sr1/vector

string
